Before you collaborate

A little bit of preparation goes a long way with this session. Here's what you need to do to get going.

10 minutes

Team gathering
Define who should participate in the session and send an invite. Share relevant information or pre-work ahead.

Set the goal
Think about the problem you'll be focusing on solving in the brainstorming session.

Learn how to use the facilitation tools
Use the Facilitation Superpowers to run a happy and productive session.

Open article

Define your problem statement

What problem are you trying to solve? Frame your problem as a How Might We statement. This will be the focus of your brainstorm.

5 minutes

PROBLEM STATEMENT

Devise an end-to-end web application capable of displaying the current job openings based on the user skillset. Users must interact with the chatbot and can get the recommendations based on their skills

Key rules of brainstorming

To run an smooth and productive session

- Stay in topic.
- Encourage wild ideas.
- Defer judgment.
- Listen to others.
- Go for volume.
- If possible, be visual.

Brainstorm

Write down any ideas that come to mind that address your problem statement.

10 minutes

Bavithra

It displays jobs based on skills in reference of popular websites

Get the job offers and user profiles from the respective resources and filter it according to their skills and then find matching job and allocate ranking for the user by their skills for the job

If a Candidate wants to apply for a job they need to upload their resume separately every time but with the help of this application automatic mail with resume is generated and sent to the interviewer.

To avoid from the spam job posts, get the companies are permitted by the official website.

To avoid getting fake job application from the users, the users must add their personal identification details to the job site.

Adding the nationality details with proof of the user will help to find jobs from the other countries.

Divya Shree

you can get the jobs based on your skills that you have given in your profile.

you have opportunity to search for job in different domain as your wish

you can apply for any job category

the scraper is set up to avoid duplicate job offers, thus all the job offers are unique

Here a seeker looks up for the job he would find relevant to him and apply for it. As there are many job boards, applicants tend to use the tool that provides better services to them, services such as writing a CV, creating a job profile, and recommending new jobs to a job seeker

made publicly available a new dataset formed by a set of job seekers profiles and a set of job vacancies collected from different job search engine sites.

Group ideas

Take turns sharing your ideas while clustering similar or related notes as you go. In the last 10 minutes, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you can break it up into smaller sub-groups.

20 minutes

It displays jobs based on skills in reference of popular websites

Once job offers and profiles are filtered, the second step is text preprocessing. In this task, we perform stopwords removal, tokenization and lemmatization.

To avoid getting fake job application from the users, the users must add their personal identification details to the job site.

the scraper is set up to avoid duplicate job offers, thus all the job offers are unique

Prioritize

Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important and which are feasible.

20 minutes

Importance
If each of these tasks could get done without any difficulty or cost, which would have the most positive impact?

Feasibility
Regardless of their importance, which tasks are more feasible than others? (Cost, time, effort, complexity, etc.)

After you collaborate

You can export the mural as an image or pdf to share with members of your company who might find it helpful.

Quick add-ons

Share the mural
Share a view link to the mural with stakeholders to keep them in the loop about the outcomes of the session.

Export the mural
Export a copy of the mural as a PNG or PDF to attach to emails, include in slides, or save in your drive.

Keep moving forward
